They have known each other their entire lives. And yet they have never met." Maggie Johnson has had "the Sight" since she was a child, dreaming visions of the future and of a presence she knows is real. She calls him Wolf, and has seen him grow from a young boy into a fearsome warrior. And when her life is torn asunder by unspeakable tragedy, he is her only hope. Andrew MacDonnell is entranced by a beautiful woman who has always dwelt in his dreams. When war ravages his land, he leaves the Scottish Highlands on a perilous journey to the New World to find her. Their quest to unite across a treacherous wilderness will test the limits of courage and endurance, guided only by their dreams--and by the belief in the true love they share.

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
