THE LIGHTBEARERS (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 222 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Jean Crystal is held captive on a laboratory table by a motion sensitive laser directed toward her central nervous system. Unaware of her invisible prison, upon awakening from a narcotic sleep induced by Dr. Natas, she attempts to move and finds herself wracked with a mind numbing pain. By astrally projecting herself she is able to overcome the pain and investigate her circumstances. George Martinez, her husband, has already been assassinated and while awaiting her own demise, George pays Jean a visit in the lab, assuring her of their eternal vow to each other. Dr. Natas has developed a school run by robots and computers and Jean and George have discovered the use of a protein computer chip fed to the children at his school. After Jean is assassinated their spirits reunite to plan their return. They agree upon a place, a time and a signal by which they can find and identify each other in their next lifetime. They plan to meet on the first Monday of October, 2024 outside the UCLA Computer Science building. She ll find him sitting under a tree with a guitar strumming and singing Imagine. The reunion takes place 20 years later, but not without a hitch.
