Brand New Book ***** Print on Demand *****.Since earliest civilization man has prayed to a Higher Power for healing. When Itas Time explores terminally ill patientsa struggles with life, death, and spirituality. Research confirms that prayer does make a difference; healing, physical remission, peace of mind, and reconciliation with a Higher Power happen through prayer. There appears to be a paradox. Many believe healing can only be of a physical nature, when, in fact, healing exhibits itself in different perspectives. This is a compilation of true stories about patients living with a terminal illness who have found their healing by discovering a pathway to faith in a Higher Power, God.
