*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

Perfect for fans of Katie Flynn. As the daughter of the local cinema manager, Sally Brewer has always dreamed of stardom. When she gets offered a theatre job in London, any fancy notions she has are quickly dashed when faced with the reality of long hours with no prospect of a speaking part. But all of this goes out of Sally's mind once the nightly hail of German bombs start to rain down on London. She joins the newly-formed ENSA, the Entertainments National Service Association and is soon raising morale all over the bombed-out city - there is little time for love. One night, Sally discovers a valuable ring sewn into the lining of a cloak. Intrigued, she tracks down the owner - a Naval Officer called Jonathan - but they barely have time to get to know each other before he is recalled to sea. Then Sally gets the terrible news that his ship has been destroyed. With only the ring to remember him by, can Sally face the future without the man she loves?.
