

The Google+ Guide

By Scott McNulty

Peach Pit Dez 2011, 2011. Taschenbuch. Book Condition: Neu. 228x179x12 mm. Neuware - This approachable, four-color book will offer readers a thorough guide to using Google+, Google's answer to the challenge it faces from Facebook, Twitter, and all other ways people are being social on the web. After covering the fundamentals of being social on the web, the book digs into how to set up and manage Circles, control the Stream, share photos and video, use Hangouts, get the most out of Sparks, and use games. There will be coverage of photography and building communities around photography. The book also covers using the iOS and Android Google+ apps. As Google+ expands its social service, the author will write new digital updates available to book purchasers free through 2012. 148 pp. Englisch.
