Landscapes of the Chinese Soul: The Enduring Presence of the Cultural Revolution

By Tomas Plaenkers

Karnac Books. Paperback. Book Condition: new. BRAND NEW, Landscapes of the Chinese Soul: The Enduring Presence of the Cultural Revolution, Tomas Plaenkers, In 1981 the Communist Party of China declared: "The 'Cultural Revolution', which lasted from May 1966 to October 1976, was responsible for the heaviest losses suffered by the Party, the state and the people since the founding of the People's Republic". The civilizational crisis called the Great Proletarian Cultural Revolution still eludes our historical, political, and psychological understanding. This book helps to fill the gap. It features twelve extended, psychoanalytically-oriented interviews, six with witnesses to the revolution and six more with sons and daughters. Team analysis of the transcripts is buttressed by sinological, historical, and social-psychological essays. The authors explore Chinese ways of processing the experience of violence, both individually and in collective memory, and identify psycho-traumatic consequences for witnesses and for the following generation.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my father and dad suggested this ebook to discover.
