## SUCCEEDING WITH YOUR LITERATURE REVIEW: A HANDBOOK FOR STUDENTS

Open University Press. Paperback. Book Condition: new. BRAND NEW, Succeeding with Your Literature Review: A Handbook for Students, Paul Oliver, "An excellent and accessible text that will help all students and scholars to develop a strong review and enable them to outline and analyse the key ideas for their study. The structure of the book is really well thought out and the chapters are written in a way which readers will find helpful and easy to understand. I would highly recommend this book to research students." Professor Mark Brundrett, Liverpool John Moores University, UK This step-by-step handbook provides comprehensive and practical guidance on the process of researching a range of relevant literature on a subject, as well as planning and writing a literature review. The book takes a student friendly approach to offer complete novices a simple review of a process which is often central to producing a research study. Succeeding with your Literature Review will enable you to: Design a literature review which is related to the main facets of a research project Conduct a logically-planned search for relevant literature Determine which literature is most suited to inclusion in your study Analyse the literature, drawing comparisons and connections where appropriate Appraise the strengths and weaknesses of relevant literature Write logically and rationally about the key features of literature Write a literature review in a sound academic style Understand how to relate a literature review to other elements of your study or dissertation Written by an author with extensive experience of supervising and examining undergraduate, Masters and doctoral dissertations, this book covers the latest trends, such as: RSS feeds, wikis, grey literature, blogs and forms of open access publishing. The book also includes examples of common pitfalls, good practice, key terms and questions to reinforce student learning and reflection. Succeeding with...
