Delacorte Press, 2007. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. 8vo - over 7³/₄ - 9³/₄" tall. Summary: "In this age of mounting mistrust between science and religion in American society especially in America's classroomsDavid Sloan Wilson's *Evolution for Everyone* comes as a breath of fresh air. Without stooping to condemn those whose religious beliefs lead them to reject evolution, Wilson clearly but gently shows how evolution is essential to understanding all aspects of our daily lives. Wilson knows the power of a good story and most of his 36 chapters are short, riveting accounts of evolution and the scientists who have puzzled out the intricacies, and importance, of understanding evolution in human life.*Evolution for Everyone*fills a gap in understanding evolution, and will help in the much-needed bridge building across the divide that has threatened educational values in recent years."Niles Eldredge, Division of Paleontology The American Museum of Natural History New York, New York "*Evolution for Everyone* is a remarkable contribution. No other author has managed to combine mastery of the subject with such a clear and interesting explanation of what it all means for human self-understanding. Aimed at the general reader, yet peppered with ideas original enough to engage scholars, it is truly a book for our time. "Edward O. Wilson, Pulitzer Prize-winning author of *On Human Nature* From the Hardcover edition.
