Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Summit of the Americas, held in Miami in December 1994, led to ongoing congressional interest in three inter-related trade policy issues. The first involves an invitation extended to Chile to join the North America Free Trade Area (NAFTA). The second focuses on preferential tariff treatment for Caribbean and Central American countries. The third concerns movement towards a Free Trade Area of the Americas (FTAA), the concept of making the entire hemisphere a free-trade zone. A fourth issue has subsequently arisen concerning a request by the Andean countries to extend the Andean Trade Preferences Act (ATPA) beyond its scheduled December 4, 2001 expiration date. Following the Miami Summit, the U.S., Canada, and Mexico invited Chile to enter into negotiations to accede to NAFTA. Envisioned as a first step towards creation of an FTAA, preliminary negotiations started in July 1995. Chile, however, shortly thereafter suspended the negotiations pending renewal of U.S. fast-track negotiating authority. In August 1999, Chile proposed to restart discussions on a bilateral free trade agreement (not NAFTA accession), and negotiations eventually commenced December 6-7, 2000 in Washington. The Bush Administration has continued the negotiations with the hope of possibly reaching an agreement by the end of 2001. .
