The book that's all about YOU, your emotions, and this turbulent world in which you must now find your way. Since our world changed so suddenly on September 11th, and with subsequent events still unfolding, Christine DeLoreys LIFE CYCLES Your Emotional Journey To Freedom And Happiness, has taken on a new and illuminating relevance. Through her profound knowledge of numerology, Christine speaks of the new millennium as a cycle of time in which real and lasting peace can only come from understanding and healing our emotions. This, she explains, holds the same importance as understanding and healing the mind, body, and spirit. With an emphasis on finding our way to peace, her 22 years of research have resulted in this unique and groundbreaking book which addresses the chaotic and emotional times in which we are now living - and the part we are all playing in determining the direction humanity is about to take. (See Part 3 - LIFE, LOVE and LIBERTY IN THE NEW MILLENNIUM) She also describes, explicitly, how your personal numerology cycles influence your emotions, relationships, career, money, health, security and your awareness of today's realities. This extraordinary book is your personal month-by-month, year-by-year roadmap to whatever the future brings.
