In Established: Seeking God s Plan for Spiritual Growth, author Pam Palagyi reveals the blueprint for success. When life began in the Garden of Eden, God provided five key elements essential to His plan. And you have a personal invitation to rediscover this garden. Have you asked questions like. Who am I and how do I relate to God? Do I have a destiny, a God-directed plan for my life? How can I overcome the obstacles and difficulties I face on a daily basis? If you have spiritual questions, Established can answer them. Are you a new believer who needs to be grounded in your beliefs? Established will lay a solid foundation for your faith. Or maybe you want to revive your spiritual walk by revisiting the basics of Christian faith? The book is suited for individual study, small groups, or even mentoring relationships. The questions in the Think About It section can be used for personal reflection or group discussion. The Digging Deeper section gives additional scriptures relating to the chapter s topic. A free inspirational journal is included as a supplement for spiritual growth. Join fellow spiritual travelers as they go back to the Garden of Eden to discover God s original design. Sometimes we need to go backwards in order to find a way forward! FREE Bonus. Established 30 Day Devotional Journal.
