

Motivation and Emotion: Textbook (Paperback)

By Philip Gorman

Taylor Francis Ltd, United Kingdom, 2004. Paperback. Book Condition: New. New.. 207 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Motivation and Emotion provides an explanation of emotional experience and aspects of human behaviour using psychological, physiological and alternative approaches. The brain mechanisms that govern motivations are discussed and questions such as Why don t we eat ourselves to death? and How do we know we are thirsty? are answered. Phil Gorman is an A-Level teacher at Stafford College, UK, and a chief examiner for the Edexcel A Level Examination Board. The Routledge Modular Psychology series is a completely new approach to introductory level psychology, tailor-made for the new modular style of teaching. Each book covers a topic in more detail than any large textbook can, allowing teacher and student to select material exactly to suit any particular course or project. Especially written for those students new to higher-level study, whether at school, college or university, the books include the following designed features to help with technique: * practise essays with specialist commentary to show how to achieve a higher grade * chapter summaries and summaries of key research * glossary and further reading *...
