Mr. Frederick Stearns collected a great number of drinking cups made out of gourds, which the natives use when drinking Matl. From his collection he has selected six and together with the bomblllas which accompany them has presented them to this muse um. A number of Lectures of general and professional Interest have been provided this year in the School of Pharmacy. The first Whs given by Dr. A. K. Lyons of Detroit, on The Hawaiian Islands and their Flora, a description somewhat - lder in scope than his paper in the Michigan State Pharmaceutical Association Proceedings, but none the less entertaining. Another of the series was a talk by Dr. H. M. fiordln, upon Pharmacy In Russia His account of the highly organized service in pharmacies which are limited to one for 10,000 of population was the more vivid from his personal...
