

## Myths Legends (Paperback)

By Xoandre Moats

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the third volume in a series of chapbooks containing a vast collection of art, poetry, prose, and insights into the mental escapades of a once damaged mind healing itself through written word and unleashed, uncensored imagination. Each book includes a wide range of topics and styles, with a centralized theme. The theme of this volume is Myths Legends. The distinction between a myth and a legend is subtle, but significant. Myth: a universal story that contains assumptions and ideas meant to explain how the universe works, how we came to be, and why certain everyday occurrences happen. Legend: specific in its topic or character, relating directly to our cultural understanding of the world. Both contain fantastical and sometimes supernatural concepts and embellishments to excite and make the telling of them memorable. The contents of this book explore the often-overlapping grey areas where myths and legends collide. Many of the works are pure fantasy, based loosely on a film or book I was enjoying. Some are character extrapolations from friends or colleagues, merged with those found in...
