

Radical Possibilities: Public Policy, Urban Education, and a New Social Movement (Paperback)

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

RADICAL POSSIBILITIES: PUBLIC POLICY, URBAN EDUCATION, AND A NEW SOCIAL MOVEMENT (PAPERBACK)

DOWNLOAD

Taylor Francis Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 2nd Revised edition. 229 x 152 mm. Language: English . Brand New Book. The core argument of Jean Anyon s classic *Radical Possibilities* is deceptively simple: if we do not direct our attention to the ways in which federal and metropolitan policies maintain the poverty that plagues communities in American cities, urban school reform as currently conceived is doomed to fail. With every chapter thoroughly revised and updated, this edition picks up where the 2005 publication left off, including a completely new chapter detailing how three decades of political decisions leading up to the Great Recession produced an economic crisis of epic proportions. By tracing the root causes of the financial crisis, Anyon effectively demonstrates the concrete effects of economic decision-making on the education sector, revealing in particular the disastrous impacts of these policies on black and Latino communities. Going beyond lament, *Radical Possibilities* offers those interested in a better future for the millions of America s poor families a set of practical and theoretical insights. Expanding on her paradigm for combating educational injustice, Anyon discusses the Occupy Wall Street movement as a recent example of popular resistance in this new edition, set against a larger framework of civil rights history. A ringing call to action, *Radical Possibilities* reminds readers that throughout U.S. history, equitable public policies have typically been created as a result of the political pressure brought to bear by social movements. Ultimately, Anyon s revelations teach us that the current moment contains its own very real radical possibilities.
